

VLON Distribution & Token Economics

VLON is the native token of Valon project

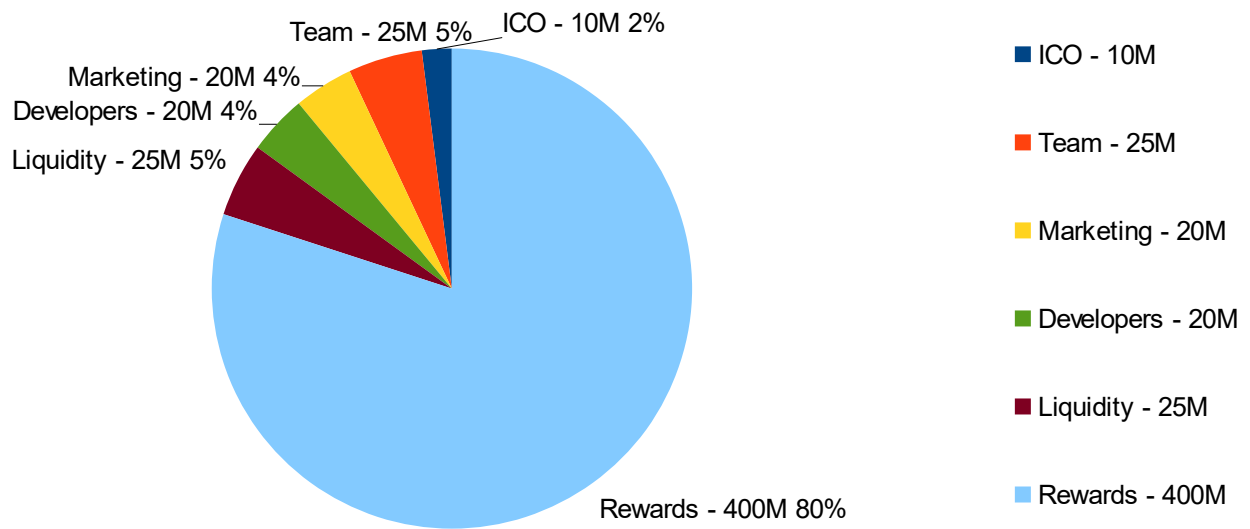

Token Utility

- **Liquidity Mining** – Earn VLON rewards by staking LP-tokens
- **Staking** – Stake and lock VLON for generating passive income
- **Governance** – VLON will work as a governance token for Valon project
- **Difficulty** – Minting new VLON through staking will slowly decrease the emission rate until the reward cap is reached. After the emission rate will be minimal.
